**To be successful is to be helpful, caring and constructive, to make everything and everyone you touch a little bit better - Norman Vincent Peale**

Dear Sisters and brothers,

We are back to 2 square metre distancing indoors and we are free from using the face mask. I do hope that this will encourage more people to participate in the weekend Masses, especially during Lent. Using the face mask inside the church during the celebrations is not mandatory but is still highly recommended. We still need to register ourselves as we enter the church for any purpose and disinfect the seating places with the wipes available in the set spots. Thanks to every one of you for your kind understanding and cooperation.

***The liturgical season of Lent begins with Ash Wednesday on 17<sup>th</sup> Feb. We have two masses for the parish community at 9.15am and 7 pm. The primary school children will have a separate celebration.***

On this 6th Sunday of Ordinary Time, the church continues to remind us that Jesus is a friend of all. So, He is willing to do the unimaginable to save us. Hence, the church calls us to make Jesus our role model by caring for the sick.

Our first reading and gospel have a lot in common. Both of them referred to the hopeless situation caused by leprosy. In Jesus' time, leprosy was a dreaded disease such as Ebola, Zika, HIV AIDS and the Coronavirus, which has killed many and paralyzed our world today. Contacting leprosy was a matter of life and death. Though it was a physical sickness, according to Jewish religious beliefs, leprosy was broadly associated with sin. That is, leprosy was a punishment for a sin committed by its victim.

Hence, the immediate consequence of suffering from leprosy was that the patient automatically becomes an outcast and isolated. "As long as the disease lasts, the patient must live apart." This is because it was believed that the person would contaminate others. Sadly, according to the law, the victim must identify and stigmatize himself by announcing "Unclean, unclean."

Is this different from the stigma we subject people to today? It seems that more sick people die due to stigma than from the actual disease they suffered. Yet, the truth is that apart from physical leprosy, because of our sins, we are all lepers and outcasts. However, Christ touches and heals us through his mercy.

In the second reading, Paul implores us, "Take me as your model as I take Christ." He presents himself to us as a model of sacrifice and care. Being a model means being close to people, especially in their weakness, sickness, and ensuring that they do not feel rejected. He is a model that rejects the gospel of exclusion, favouritism, racial segregation, profiling, stigmatization of the sick or anyone at all.

He is not a model that wishes the death of the sick for his comfort. Instead, He is a model of care, tenderness, and love for them. This is why Paul says, "I try to be helpful to everyone at all times, not anxious of my advantage, but for the advantage of everybody, so that they may be saved." This is precisely what Christ did. He offered himself in order to deliver us from all that enslaves us. Paul replicated this with his life and encourages us to do the same.

In the gospel, Jesus continues to heal. Today, He encountered a leper. Instead of avoiding or stigmatizing the leper, he touched and healed him. The humble petition of the leper touched him: "If you want, you can cure me." As a compassionate saviour and master, Jesus responded with both words and actions: "Of course, I want to be cured!" By healing the leper, Jesus makes a statement that the leper was not excluded, but that he was equally destined for salvation. Jesus was different from the Levitical priests whose duty was to pronounce judgment, stigmatize, and isolate the leper. On the contrary, He communicated the love and mercy of God in signs that speak more than words.

How should we treat the sick, the weak, the poor, and those rejected by society? We must show them mercy and help them as Jesus did. Through his mercy and compassion, Jesus is always ready to free us from whatever makes us unclean. (Fr. Njoku Canice Chukwuemeka, C.S. SP).

God's blessings

## Social Justice @ St Mads

This Saturday February 13th, we commemorate the historic apology to the Stolen Generations delivered by Prime Minister Kevin Rudd in 2008. Our local event hosted by the Mt Druitt Reconciliation Group, is being held at 6pm at Emerton. This is an annual event which brings together First Nations peoples and non-Indigenous folk to hear the stories of survivors of the Stolen Generations and their families. A chance to remember and honour those who were stolen, their parents and their families. To acknowledge the impacts still being felt by survivors, their children and grandchildren. To encourage thought and discussion about our history and what we want for our future. So sad to hear that Patrice is moving on from the role of Social Justice Coordinator in the Diocese. You will be missed. A new initiative in our Inter-Faith journey [www.thesydneystatement.org.au/](http://www.thesydneystatement.org.au/)

### Sts Jacinta & Francisco Marto

**Feast Day:**  
20 February

Between May 13 and October 13, 1917, three Portuguese shepherd children from Aljustrel, received apparitions of Our Lady at Cova da Iria, near Fátima, a city 110 miles north of Lisbon. At that time, Europe was involved in an extremely bloody war. Portugal itself was in political turmoil, having overthrown its monarchy in 1910; the government disbanded religious organizations soon after.

At the first appearance, Mary asked the children to return to that spot on the thirteenth of each month for the next six months. She also asked them to learn to read and write and to pray the rosary "to obtain peace for the world and the end of the war." They were to pray for sinners and for the conversion of Russia, which had recently overthrown Czar Nicholas II and was soon to fall under communism. Up to 90,000 people gathered for Mary's final apparition on October 13, 1917.

Less than two years later, Francisco died of influenza in his family home. He was buried in the parish cemetery and then re-buried in the Fátima basilica in 1952. Jacinta died of influenza in Lisbon in 1920, offering her suffering for the conversion of sinners, peace in the world, and the Holy Father. She was re-buried in the Fátima basilica in 1951. Their cousin Lúcia dos Santos, became a Carmelite nun and was still living when Jacinta and Francisco were beatified in 2000; she died five years later. Pope Francis canonized the younger children on his visit to Fátima to commemorate the 100th anniversary of the first apparition—May 13, 2017. The shrine of Our Lady of Fátima is visited by up to 20 million people a year.

**DIOCESE of  
PARRAMATTA**

### Diocese of Parramatta COVID-19 update

NSW Health has advised that face masks will no longer be mandatory in places of worship. However, this practice is still strongly recommended, especially indoors.

The maximum number of people at places of worship and religious services will only be limited by the 2 square metre rule. There is no cap in numbers except based on the 2 square metre rule.

If a place of public worship has separate buildings, the maximum number of people in each separate building is subject to the 2 square metre rule. If there are separate buildings, each building should have a COVID-19 Safety Plan in place.

The cap of up to 300 people attending weddings and funerals remains, provided the 2 square metre rule is adhered to.
