## **“Small acts, when multiplied by millions of people, can transform the world.” Howard Zinn.**

*Constantine the Great was the first Christian Roman emperor. His father Constantias I who succeeded Diocletian as emperor in 305 A.D. was a pagan with a soft heart for Christians. When he ascended the throne, he discovered that many Christians held important jobs in the government and in the court. So, he issued an executive order to all those Christians: “Either give up Christ or give up your jobs.” The great majority of Christians gave up their jobs rather than disowning Christ. Only a few cowards gave up their religion rather than lose their jobs. The emperor was pleased with the majority who showed the courage of their convictions and gave their jobs back to them saying: “If you will not be true to your God you will not be true to me either.”*

Today we join the Palm Sunday crowd in spirit to declare our loyalty to Christ and fidelity to his teachings by actively participating in the Palm Sunday liturgy. As we carry the palm leaves to our homes, we are declaring our choice to accept Jesus as the king and ruler of our lives and our families.

The Passion story of Jesus is very relevant for us as it is the story of our lives. Who does not suffer? Who on earth is without pain or one kind or the other? As Diana Ayden says, that “there’s an opportunity that pain gives us. It forces us to concentrate on what matters most. I would say pain is like a hearing aid. When it happens, it’s up to us to tune in and use our suffering as an opportunity for growth, for helping others, for any way to redeem it. That doesn’t take it away, but it can help redeem it”. St. Paul’s life was full of suffering: prison, a shipwreck, a snake bite, torture. And yet he said, “I look back on all these things God worked for good in my life.” He goes on to say that nothing can separate us from the truth of God’s love, not space or time or even death. He doesn’t pretend that this is an ideal world, but he does give hope. Men and women of history have always found suffering as redemptive. As we

express our gratitude to Jesus for redeeming us by his suffering, death and resurrection, may we pray for the grace to understand the meaning of suffering and the truth of Suffering and success go together!

*There was a report of a coal accident. Many miners escaped with their lives, but three men were trapped somewhere deep within the earth’s crust. Whether they were dead or alive no one knew. What made the accident even more frustrating was the presence of intense heat and noxious gases within the mine itself. If the rocks had not crushed them, they very well would have been asphyxiated by the fumes or killed by the heat. Two days went by before a search expedition was allowed to even enter the mine because of heat and fumes. Even then there was a great danger in store for anyone who would dare descend into what could be a deep black grave. A brief interview was conducted with one as he was preparing to enter the mine. A reporter asked him, “Sir, are you aware of the noxious gases and the extreme danger of the mines?” The fireman replied, “Yes, I am aware.” The reporter asked again, “Are you still going down?” And the man replied, “The men may still be alive”. Without another word of explanation, he put on his gas mask, climbed into the elevator, and descended into the black mine. The rescuer put his life on the line that others might live”. This is what Jesus did- by entering Jerusalem, He put his life on the line that we might have life. “As we lose ourselves in the service of others, we discover our own lives and our own happiness.” (Sources duly acknowledged)*

**As we enter into the greatest week of the year– Holy Week with Palm Sunday, I encourage you to prioritize participating in the Holy Week Services: Mass of the Last Supper on Thursday (7pm) followed by the Adoration until 12 midnight; the Stations of the Cross (10 am) and the Passion of our Lord with the Veneration of the Cross on Good Friday at 3pm ; Easter Vigil on Saturday 5.30 pm and one of the Easter Masses on Easter Sunday 8 and 10 am and 5.30 pm. Let us experience the love of Jesus deeply these days. Do not miss it.**

God’s blessings

Fr. Vince

**SOCIAL JUSTICE @ ST MAD'S** For All Future Generations, Spanning across the six weeks of Lent each year, Project Compassion brings thousands of Australian schools, parishes and supporters together to raise funds for people living in some of the most vulnerable communities across the world. Your generous support can help change lives today - and For All Future Generations. Priscilla's story | Caritas Australia Priscilla lives in the Hwange district in Zimbabwe with her husband, Charles, and her two grandsons. In Hwange, the impacts of climate change are exacerbating food insecurity in vulnerable communities. This can be seen in the erratic rainfall patterns, prolonged dry spells, poor agricultural soils and high temperatures in the region. With the support of Caritas Hwange, Priscilla learnt conservation farming skills to grow drought-resistant crops and started poultry farming to support her family during the current food crisis. We pray with Priscilla.

### St John Baptist de La Salle

#### Feast Day: 7 April

At the early age of 11, he received the tonsure and started preparation for the priesthood, to which he was ordained at 27. He seemed assured then of a life of dignified ease and a high position in the Church. But God had other plans for John, which were gradually revealed to him in the next several years. During a chance meeting with Monsieur Adrien Nyel, he became interested in the creation of schools for poor boys in Rheims, where he was stationed. Once convinced that this was his divinely appointed mission, John threw himself wholeheartedly into the work, left home and family, abandoned his position as canon at Rheims, gave away his fortune, and reduced himself to the level of the poor to whom he devoted his entire life. The remainder of his life was closely entwined with the community of religious men he founded, the Brothers of the Christian School (also called Christian Brothers or De La Salle Brothers). This community grew rapidly and was successful in educating boys of poor families, using methods designed by John. The motivating element in all these endeavors was the desire to become a good Christian. Afflicted with asthma and rheumatism in his last years, he died on Good Friday at age 68, and was canonized in 1900. <https://www.franciscanmedia.org/saint-of-the-day/saint-john-baptist-de-la-salle/>
